

Have you lost your job and are looking for a new opportunity?
It is never too late to try something new!

A career in Information Technology might be for you!

If you have lost your job at no fault of your own, you may qualify for **FREE** INFORMATION TECHNOLOGY TRAINING!

IowaWORKS and JobWorks Education & Training Systems have partnered to offer the TechWorks training program, a first-of-its-kind training that will quickly prepare you for success as an **IT Support Specialist**. This fun and interactive 12-week course is offered 3 days a week via Virtual Classrooms.

A laptop is provided to students, and upon successful completion, you will receive **2 valuable certifications**:

- A+ Certification – CompTIA
- IT Fundamentals Certification – CompTIA

Career Planners will assist you with **navigating your career pathway** and job readiness.

With more than 2,500 related job openings in Iowa, IT professionals are highly sought after and well paid! **What are you waiting for?**

Ask IowaWORKS today about this **great opportunity!** Interested individuals will be contacted by IowaWORKS and JobWorks staff to determine eligibility.
